CALL FOR APPLICATIONS

STAFF MOBILITIES TO POZNAN UNIVERSITY OF TECHNOLOGY

The European University Office at Poznan University of Technology announces a call for applications for incoming staff mobilities at Poznan University of Technology under the project *"Collaboration and Research within the EUNICE European University"*, funded by the Polish National Agency for Academic Exchange (NAWA) under the Support for European Universities programme, co-financed by the European Social Fund for Social Development 2021–2027 (FERS).

🌎 Why participate?

This is an opportunity for professional development, acquisition of new competences, exchange of experiences and strengthening international cooperation. Expand your professional network, discover good practices, develop intercultural skills and contribute to building a strong European University.

👥 Who can apply?

Academic and administrative staff from EUNICE partner universities who are actively involved in EUNICE activities and interested in developing their professional competences, internationalisation and cooperation within the EUNICE Alliance.

🎓 What do we offer?

- Short-term staff mobility at Poznan University of Technology lasting up to **3 working days + up to 2 travel days**.
- Financial support covering travel costs, insurance, accommodation and daily allowances in accordance with project regulations.
- Opportunities for professional development, exchange of good practices, job shadowing and cooperation with PUT staff in an international environment.

Number of available places: Up to 18 mobilities, with 2 places per partner university and a possibility of increasing the number to 3 per university, depending on budget availability.

📝 Recruitment

- **Application:** Complete the online application form: Apply here
- **Application deadline: 10th of May 2026**
- **Related documents:** Recruitment Regulations with annexes.

- **Selection procedure:** Applications will be assessed in accordance with the criteria and procedures specified in the Recruitment Regulations, ensuring equal opportunities and non-discrimination.
